Dear Fellow Citizens:

Another year has gone by and, all in all, it has been another good year. But first, as you know, at last Town Meeting, Mr. Walfred G. Wiklund chose not to run again as Selectman after giving the Town some years of excellent service because of his long experience in the field of business. He was most diligent, conscientious and helpful in the conduct of his duties and we were very sorry to see him leave the Board.

As has been the case for some years now, the Town was again able to come up with an operating surplus, \$2,072.27, which we are asking, in Article 10, to be voted into the capital reserve fund as has been customary. There were the usual surprise expenditures, which can never be anticipated when one is trying to budget as far in advance as we have to, and one of the biggest surprises was the very bad spring washout on the Gilsum Road, necessitating a lot of work there which ran the highway account over by a slight amount for the first time in many years. We feel the Highway Department continues to do an excellent job and the recent "worst storm in ten years" was an example when, with one piece of equipment broken down, the old tractor, the Town was, nevertheless, completely opened up for some kind of traffic days before some other larger Cheshire County towns had some roads open at all.

While on the subject of tractors, the value of a capital reserve fund becomes apparent. The tractor-plow has been owned by the Town for 32 years and was at least a few years old at the time of purchase. Because of the age, as of this writing, there is no idea whether replacement parts can be gotten, another piece of equipment may have to be purchased. The type of recent storm we had, with the extreme drifting, made an extra piece of equipment extremely valuable in getting roads open early because of the slow going and backtracking through drifts.

The surplus mentioned above was accomplished even though we squeezed out funds from other appropriations in the amount of \$650. to buy a V-plow to go on the grader we purchased at the end of last year. The company, from whom we purchased the grader, loaned us one but had to recall it hurriedly because of a sale, and we were able to pick up locally one well-suited to our needs at a much better price. The grader, by the way, has given excellent service with a large fuel saving of diesel over gasoline.

The T.R.A. Project on Gilsum Road had to be stopped before anticipated because of the early onset of winter, and we saved a good deal of interest money by demanding the State return to us the unused portion of the funds, \$5,896.75, until such time as it is needed this coming summer or fall on the completion of the Project. Also, as you will note from the Comparative Statement, we have a carryover in the amount of \$1,043.63 to add to this year's Class V money because of projects which could not be finished this past year. This, however, was earmarked, as you will also note, and is not included in the operating surplus any more than the amount of the sale of the pump by the Fire Department.

So, here's looking forward to a good Town Meeting and another successful year of operation.

REPORT OF THE TRUSTEES OF TRUST FUNDS

In March of 1968, Mr. Edward L. Jewett resigned as Trustee of Trust Funds. For thirty-one years he conscientiously and faithfully discharged his duties, also acting as Secretary-Treasurer of the Board. We owe him a tremendous debt of gratitude for so ably and generously giving of his time and effort, for his accurate and meticulous keeping of records which included the setting down of many interesting historical events in connection with the Town Farm. To Mr. Jewett go our deep and sincere thanks.

REPORT OF LIBRARY TRUSTEES

Mrs. Bessie L. McClure has retired as Librarian and we want to express our gratitude to her for her eleven years of devoted service.

A new cataloguing system is under way, made possible through many hours of volunteer work by our new librarian, Mrs. Robert W. Garrapy, and several interested residents of the Town, under the direction of Mrs. Cynthia Postal, State Library Consultant. Needed additional bookshelves also will soon be available, thanks to generous offers of labor and materials.

We now own ten large print books which were donated by the Federal Government through the State Library. There are two hundred of these large print books which may be borrowed from the State Library, and anyone interested has only to contact Mrs. Garrapy.
